

CELEBRATING MY CULTURE IS BEAUTIFUL 365

with Amperelle Williams

Amperell Williams (USA), is the president and CEO of the Caleb Solomon Williams childhood cancer foundation (DBA - The B.E.L.A.C childhood cancer Foundation) where she raises awareness, provides support and financial assistance to families with children battling cancer.

Amperell serves as a childhood cancer ambassador and is responsible for seeking out donors and leveraging key relationships to ensure goals are met.

Although Amperell has experience in many areas such as motherhood, accounting, cleaning, nursing, marriage counselor and being a Relationship

Coach, she is a passionate advocate when it comes to children battling cancer. She is active in her community and strives to raise awareness for families battling childhood cancer wherever she goes. Her desire is that one day the world will acknowledge that childhood cancer is just as prevalent as other cancers that are celebrated during designated months and help others realize the need for financial support.
