

CELEBRATING MY CULTURE IS BEAUTIFUL 365

With Julie Cezar Washington

Julie Cezar Washington (born American-Haitian), was raised in Miami, Florida. She is the first-born child to Haitian native parents who journeyed to the United States in 1980's seeking refuge and a brighter future. Julie is the first born in her entire lineage on U.S soil. She has always had a passion and desire to help those less fortunate and was raised to never take any opportunity for granted. She had a profound understanding at a very early age, that it was a privileged to be born and raised in a country filled with endless opportunities.

Julie is the wife of Attorney Erik Washington of The Washington Law Firm, a consumer bankruptcy law firm. Julie is also the mother of two beautiful children and the President of "My Haitian is Beautiful Inc.," which is a nonprofit organization. The organization promotes education for girls in Leogane, Haiti. She has an extensive background in law enforcement from probation and parole, corrections officer to instructor.

As a Women of Kulture 365, her heart's desire is to inspire, educate and empower women from various backgrounds to rise above adversity and provoke change.
