Novello Penick (born in Barbados), West Indies. She lived the first 12 years of her

life there. She migrated to the USA (New York) at the age of 12 with her sister and family. Her teenage and early adult years were in NY. She completed her high school education, and undergraduate degrees in NY from the City University of New York (CUNY) – AAS in Nursing (RN) from Bronx Community College, and her BSN (Nursing) from CUNY – Hunter College. She worked for several hospitals in New York City as a Registered Nurse.

She migrated to California with her family, where she completed her Graduate Degree from the University of San Francisco. – Masters in Public Administration with an emphasis in Health Service Administration - MPA/HSA. She worked for many years at Kaiser Permanente Hospital in Northern Calif – from bedside Nurse to Nurse Manager/Administrator before her retirement when she relocated to Florida.

She was also an entrepreneur where she owned her own business in the health care field. She is currently retired and is involved in the Professional Nursing Organization called Black Nurses Rock, Inc. where she serves as Vice President of the Orlando Chapter.
